

HAMILTON FIELD NATURALISTS CLUB

MEETINGS AND EXCURSIONS 1994

Meetings of the HFNC are held at H.I.R.L., 333 North Boundary Road, at 8 pm on the third Thursday of each month, from February to November inclusive.

Special meetings and excursions are always advertised in the Hamilton Spectator on the preceding Saturday. The special meetings are entirely devoted to a guest speaker and conclude with supper at about 10.00 pm. Excursions are on the Saturday of that week.

General meetings are held on alternate months and deal with conservation matters. Members may show a few slides or exhibits and talk informally about natural history.
